# WHY WINE ON TAP?

BETTER FOR BUSINESS, BETTER FOR THE ENVIRONMENT.

## PROFITS

See a return on investment within 6 months.

## SUSTAINABILITY

100% reusable steel kegs. Nothing to throw away or recycle.

## FRESHNESS

Guaranteed fresh glass of wine. No oxidation, no wasted wine!

## SPEED

No corks to pull or bottles to stock.

## TRENDING

Wine on tap is the hottest new trend in beverage programs across the country.

## PROFITABILITY BREAKDOWN

Save up to \$1/per bottle\* by converting your existing by-the-glass program to on tap.

CALCULATE YOUR ROI @ [TRYWINEONTAP.COM](http://TRYWINEONTAP.COM)

\*SAVINGS = no spoiled wine down the drain + more glasses poured with speed & ease + no recycling/trash costs + savings on kegs vs same wine in bottles

## FREE FLOW WINES

The pioneers of Wine-On-Tap.

We've helped thousands of operators launch wine on tap programs. We work with wineries, distributors & installers throughout the US to make wine on tap easy for you!
